**Subject:** Regarding grievances of Gian Sagar shifted students.

**Respected Sir/Madam,**

The students of Gian Sagar are coming to the University with various observations that the institutions, where they have gone by virtue of their counseling under the instructions of Hon'ble Punjab & Haryana High Court, Chandigarh. They are being asked to pay different charges.

It is made clear that this was a disaster and crisis management situation where the Govt. wishes to address the agony of students without extra charges of any sort. Therefore, as per the instructions, a students who have paid fee of 2017 and are giving evidence in the shape of receipts paid at Gian Sagar, should not be charged fee for 2017. Whereas for the subsequent years, they are supposed to be charged the fee of Govt. quota, if they were admitted in a Govt. quota or fee of Management Quota, if they are admitted in Management quota respectively. It was made amply clear that because of limited infrastructure, it may not be possible to provide hostel accommodation to all the students. In case, a student got the hostel in a particular institution, they shall pay fee of hostel like other students of that institution. Any other security or fee etc. should not be charged from these displaced students of Gian Sagar. If we follow the instructions of Hon'ble High Court, we shall be able to avoid any further litigation, otherwise we would be unnecessarily get entangled in litigation, as it would apparently amount to contempt of Court.

Students who are at a stage of internship should not be charged any fee or security, as the student while doing their internships are usually entitled for stipend for the institution, where they work for the sake of the institution. In case, the interns wish to stay in the hostel, he/she has to pay for the hostel fee of that institution.
