

Advisory for Examinations Centers/Institution due to COVID – 19 pandemic for session May/June 2020

1. All the principals and managements of respective colleges must ensure that the resident student must follow guidelines given by Punjab Government/GOI for travelling i.e they must carry valid e –travel pass and Aarogya setu app and COVA app be installed in their cell phone .
2. The Principal / Management to ensure that all hostellers/staff must be screened by the medical specialist of the concerned institute.
3. In case of necessity, sufficient separate isolation facility be made available by the institute / Administration.
4. Students coming from outside Punjab should preferably be called first and thereafter the students in the state of Punjab should be called . Guidelines of Punjab Government /GOI for travelling from outside Punjab should be followed strictly.
5. Principals and management are also advised to follow the entry of the students in their hostel in phased manner .
6. Thermal Screening at the entry of examination hall is compulsory.
