

GURU GOBIND SINGH MEDICAL COLLEGE FARIDKOT-

S. No	Subject	Title of Thesis	Name of PG student
1	IHBT	Analysis of titres of IgM and IgG ABO antibodies in group O blood and plateletphersis donors at tertiary care hospital	Dr Deepika Aggarwal
2	Ophthalmology	Propotion of dry eye in type II diabetes mellitus patients.	Dr Maninder Bawa
3	For. Medicine	An autopsy study of patterns of Head injuries in fatal road traffic accident.	Dr Gurjeet Singh
4	For. Medicine	Estimation of age from sternal end of fourth rib by its morphological variation: an autopsy study.	Dr Navroz Goyal
5	ENT	Fat Graft myringoplasty in small size tympanic membrane perforations.	Dr Nupur Midha
6	Ophthalmology	To study the visual display terminal use as a risk factor for paediatric dry eye disease.	Dr Shubam Mehra
7	Ophthalmology	A comparative study of fasting serum lipid profile between glaucoma patients and controls.	Dr Swapnil Chandoba Kamble
8	Pathology	Clinicopathological profile of prostatic tumours in references to prostrate size and prostrate specific antigen.	Dr Rajinder Kumar
9	Pathology	Cytomorphological study of ultrasound/CT guided FNAC of liver and gall bladder lesions and its correlation with radiological diagnosis. A prospective study.	Dr Purna Chhabra
10	Pathology	Clinico pathological spectrum of ovarian carcinoma and its correlation with CA-125 levels	Dr Nisha
11	Surgery	To study clinical profile of fistula-in-ano and assess role of magnetic resonance imaging in their management.	Dr Shivam Gaba
12	Orthopaedics	The role of neurophysiological studies in predicting outcome after lumbar discectomy.	Dr Shantilal Sankhla
13	Paediatrics	Study to stretched penile length and testicular volume in neonates.	Dr. Vipul Saneja
14	Paediatrics	A study to correlate hypovitaminosis D with prism III score in critically ill children.	Dr Shilpa
15	Microbiology	Diagnosis of trichomoniasis- A comparative study of conventional wet mount examination, culture and Polymerase chain reaction(PCR) in women of reproductive age group visiting tertiary care hospital of punjab.	Dr Reetika Bansal

16	Microbiology	A study of phenotypic identification and molecular detection of New Delhi metallo-beta-lactamase-1 (NDM) gene among clinical isolates of multi drug resistant gram negative bacilli in a tertiary care hospital of north india.(Punjab)	Dr Shaveta Kataria
17	Microbiology	To study the proportion of extended spectrum B-lactamase(ESBL) and carbapenemase producing gram negative bacilli causing neonatal septicemia in tertiary care hospital of north india.	Dr Avnisha
18	Pharmacology	Comparative evaluation of oral pregablin versus clonidine as premedication on post operative analgesia & opioid consumption in patients undergoing modified radical mastectomy.	Dr Somrita Modak
19	Psychiatry	A comparative study of the safety and efficacy of naltrexone vs baclofen vs acamprosate in the management of alcohol dependence.	Dr Arun Kumar
20	Psychiatry	A comparative study on the safety and efficacy of long acting olanzapine versus oral olanzapine in acute or exacerbated schizophrenia.	Dr Jagdeep Kaur
21	Psychiatry	To study the effect of seasonality on the various psychiatric disorders in patients visiting a tertiary care hospital in Punjab.	Dr Harkamal Kaur Gill
22	SPM	A study of quality of life and morbidity among elderly population residing in an urban area of Faridkot.	Dr Arashpreet Kaur
23	SPM	Assessment of coverage and delays of vital event registration (Birth, Death & Marriages) in urban & rural areas of Faridkot: A cross sectional study.	Dr Anupamdeep
24	Skin & Vd	Comparative evaluation of therapeutic efficacy and safety of intralesional injection of autologous platelet rich plasma versus intralesional triamcinolone acetonide injection in alopecia areata.	Dr Priya Kapoor
25	Biochemistry	To evaluate the role of anti-mullerian hormone (AMH) as a novel biomarker in polycystic ovarian syndrome (PCOS) and its correlation with clinical and hormonal profile.	Dr Cheenu Garg
26	Biochemistry	A Comparative study to evaluate thyroid profile in patients with iron deficiency anemia.	Ms. Neeru M.Sc, Biochemistry
27	Anaesthesia	Evaluation of analgesic efficacy of epidural butorphanol as an adjuvant to ropivacaine for post-operative analgesia.	Dr Aninderdeep
28	Anaesthesia	A comparative study of I/V palonosetron versus I/V dexamethasone in preventing post operative nausea and vomiting in patients undergoing breast surgery.	Dr Ashok Singh Sidar
29	ENT	Voice assessment in patients with deviated nasal septum undergoing septoplasty.	Dr Puneet Kajal
30	Radiotherapy	A comparative study of weekly cisplatin versus weekly gemcitabine as concurrent chemoradiotherapy with external beam radiotherapy in squamous cell carcinoma cervix.	Dr Ramandeep Singh
31	Radiotherapy	A comparative study of weekly cisplatin versus	Dr Deepak Kumar

		three weekly cisplatin as concurrent chemotherapy with external beam radiotherapy in oropharyngeal squamous cell carcinoma.	Uppal
32	Skin & Vd	Comparative evaluation of therapeutics efficacy and safety of transepidermal administration of tranexamic acid versus ascorbic acid with microneedling in melasma.	Dr Kakul Aggarwal
33	Medicine	Role of serum ferritin as a prognostic marker in acute ischemic stroke.	Dr Aravind S
34	Medicine	Assessment of MRI Brain changes in cirrhotic liver disease	Dr Priyanka
35	Medicine	Evaluation of obstructive sleep apnoea in metabolic syndrome.	Dr A Praveen
36	Pulmonary Medicine	Rapid Detection of mycobacterium tuberculosis and rifampicin resistance in clinically suspected cases of extrapulmonary tuberculosis using gene xpert MTB/RIF assay	Dr Kanwaljit Singh
37	Surgery	Prospective analysis of proportion of spillage and factors leading to spillage of gall stones in laproscopic cholecystectomy.	Dr. Rohit Kapoor
38	Radiotherapy	A Comparative study between two HDR brachytherapy regimes after concurrent chemoradiotherapy in locally advanced carcinoma of uterine cervix.	Dr. Gaurav Jaswal
39	Radiotherapy	To Study the role of oral pilocarpine for treatment of radiation induced xerostomia using salivary scintigraphy in oropharyngeal carcinoma patients.	Dr. Harkirat Kaur
40	Radiotherapy	A comparative study of intraluminal brachytherapy versus conventional external beam boost after concurrent chemoradiation in esophageal carcinoma.	Dr. Snehpreet Kaur Sandhu
41	Orthopaedics	Comparative study of morphometry of cervical vertebral pedicles and bodies (C3 to C7) in cadavers manually and on multidetector computerized tomography.	Dr. Deepak Garg
